

WHY ACCESS TO VISION CARE MATTERS

90 MILLION
U.S. adults suffer from a vision condition.

VISION CONDITIONS TAKE MANY FORMS

Injury

physical trauma

Autoimmune conditions

thyroid eye disease

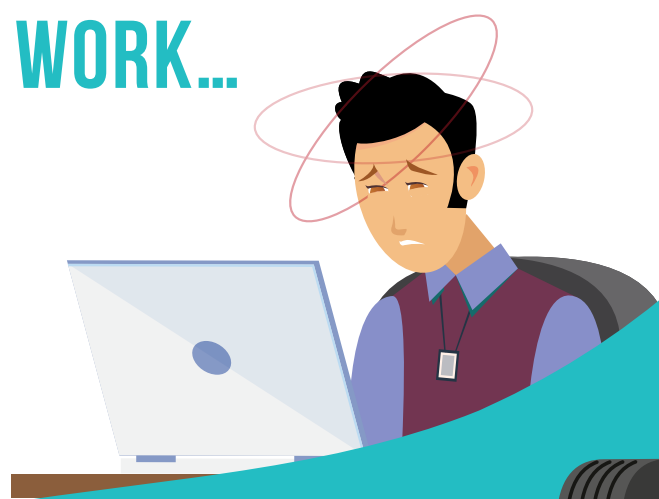

Nerve damage

glaucoma

VISION CONDITIONS HURT PEOPLE'S ABILITY TO WORK...

...AND COMPLETE DAILY TASKS

OUT-OF-POCKET COSTS AND HEALTH PLAN HURDLES

keep millions of Americans from the vision care they need.

People with vision conditions need:

INFORMATION

ACCESS

PROPER INSURANCE COVERAGE

ACCESS TO VISION CARE IS ACCESS TO THE WORLD.
