

# MIGRAINE PATIENTS & DISPARITIES IN CARE

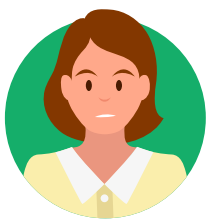

More than **39 MILLION AMERICANS** live with migraine disease.

But many don't receive the care they need.

## CERTAIN PATIENT GROUPS ARE LESS LIKELY to get the right treatment:

**WOMEN**

**PEOPLE OF COLOR**

**VETERANS**

**UNDERSERVED COMMUNITIES**

## Whether through delays or incorrect diagnoses, MIGRAINE PATIENTS FACE CHALLENGES WHILE:

**SEEKING CARE**

**FINDING A DIAGNOSIS**

**IDENTIFYING AND ACCESSING THE RIGHT TREATMENT**

## ALL MIGRAINE PATIENTS DESERVE HIGH-QUALITY TREATMENT.

DESERVE HIGH-QUALITY TREATMENT.
